SATURDAY SEMINAR SERIES

About the Seminars

Our annual Saturday Seminar Series is back, starting March 4th! Each week, we will be hosting two free seminars, no sign-up necessary. We've curated a variety of marine-related topics, from maintenance to sail selection and everything in between. These seminars are for anyone looking to find a valuable, educational experience as we all wait for boating season to return. We hope to see you there!

Location

Larsen Marine | 625 E. Sea Horse Drive, Waukegan, IL
