

Sail Services Guide 2025

Sails and Cover Removal Service

It is recommended that customers remove their sails personally. We have both paved and grass areas near our boat slips where you can lay out your sails. If you require assistance, Larsen Marine will provide support for an additional fee.

Sail and Cover Removal Rates
\$250.00 per Sail

Sail Repair Services by Sail Loft:

Sails requiring repair need to be removed from your boat and checked in at our Ship Store. Sails must be tagged, and a work order written with loft information. You will be notified when your sails are returned, and they will be available for pickup at our Ship Store. Sails must not be removed from our showroom by customers at any time. Sail pickup must be coordinated by our Ship Store staff. This service is \$135, plus loft charges. See our “Sail Services” order form to request service.
